HARVEST

Hand-picked - March 19, 2020

PRODUCTION

4900 bottles

WINEMAKER

Delfina Pontaroli

ALCOHOL

12,2 % v/v

pH

3,9

TOTAL ACIDITY

5,02 g/l

VINIFICATION

After cold soaking for 72 hours, grapes are fermented in stainless steel tanks using selected yeasts. Then malolactic fermentation is initiated, with wines being aged for 12 months in oak casks and French oak barrels (first, second and third-fill).

VINEYARD

El Vallecito was planted in 2013 on limestone soils at 377-450 feet and is surrounded by the Tandilia mountain range, a 2200 million-year-old formation. The high rainfall levels in the area throughout the vine growth cycle, combined with temperatures ranging from 84 °F (29 °C) during the day to 57 °F (14 °C) at night, provide ideal conditions for the development of red and white strains.

TASTING NOTES

Sight: Bright, light ruby, with low intensity.

Smell: Complex and multi-layered aromas on the nose. Red fruit notes, such as cherry, strawberry, sour cherry, and grenada. Earthy notes typical of this variety, mushroom and dry leaves.

Taste: In the mouth, the attack is soft and complex, with high acidity, fresh and vibrant. Strawberry and quince notes. Long and complex finish.
